Privacy Policy

This Privacy Policy describes how we handle users' information in the apps we provide (the "App").

1. Information We Collect

The App may collect information such as your device type, OS version, advertising identifier and how you use the App. When you contact us, we also collect the information you enter, such as your email address.

2. How We Use Information

We use this information to provide and improve the App, investigate problems, respond to inquiries and deliver advertisements.

3. Third-Party Services

The App may use services provided by third parties, for example for advertising and usage analytics, and the information above may be sent to those providers. It is handled in accordance with each provider's privacy policy. You can limit personalized advertising in your device's Settings app.

4. Disclosure to Third Parties

We do not provide personal information to third parties without your consent, except where required by law or in similar cases.

5. Changes to This Policy

We may change this Policy as necessary. Changes take effect when they are posted on this page.

6. Contact

Please contact us through the contact point in the App or the support contact listed on the App's page in the App Store.
